Letter of Recommendation

Dear Sir / Ma'am

It is my pleasure to write this reference letter for Dr Ricardo Dames representing LEAP Entrepreneurial Development for their services rendered to the Mandela Bay Development Agency on the Safety and Peace through Urban Upgrading Project. We have received nothing but professional business ethics and witnessed passion for the development of the youth through career guidance and counseling, skills development and business entrepreneurship.

I highly recommend the appointment of Dr Ricardo Dames and the Institute for the operationalization of the NMB Enterprise Development Centres.

Yours Faithfully,

Lerato Muzah
