To whom it may concern

GENERAL MOTORS SOUTH AFRICA (PTY) LTD has used the services of Leap Entrepreneurial Development (PTY) LTD from time to time, over the past 8 years.

The services that have been engaged include:

1.   SERVICES:

       1.1   LEAP established the GMSA Employee Outplacement Centre; and

       1.2   Provided the following services to GMSA off boarded employees:

               1.2.1   Outplacement service for employees where alternative employment becomes available;
               1.2.2   Life skills training [Compulsory Component];
               1.2.3   Soft skills training;
               1.2.4   Vocational Training; and
               1.2.5   Entrepreneurial skills development and support;

2.   MANAGEMENT:

       2.1   The day to day management of the Outplacement Centre was handled by LEAP and in a very professional manner.

       2.2   LEAP appointed the necessary operational staff for the successful implementation and the continued operation thereof for the duration of the service, including:

               2.2.1   Psychometrist(s)
               2.2.2   Career Guidance Counsellor
               2.2.3   Skills Development Officer (Training Broker)
               2.2.4   Entrepreneurial Support Officer

All interactions have been very professional and we can only recommend Engeli accordingly.
